The screenshot shows the orangeHRM web application interface. On the left is a sidebar with a search bar and a menu containing: Admin, PIM, Leave, Time, Recruitment, My Info, Performance, Dashboard, Directory, Maintenance, Claim (highlighted in orange), and Buzz. The main content area is titled 'Claim' and has a top navigation bar with 'Configuration', 'Submit Claim' (highlighted), 'My Claims', 'Employee Claims', and 'Assign Claim'. Below the navigation bar, there's a section for 'Expenses' with a '+ Add' button. It states '(2) Records Found' and displays a table with the following data:

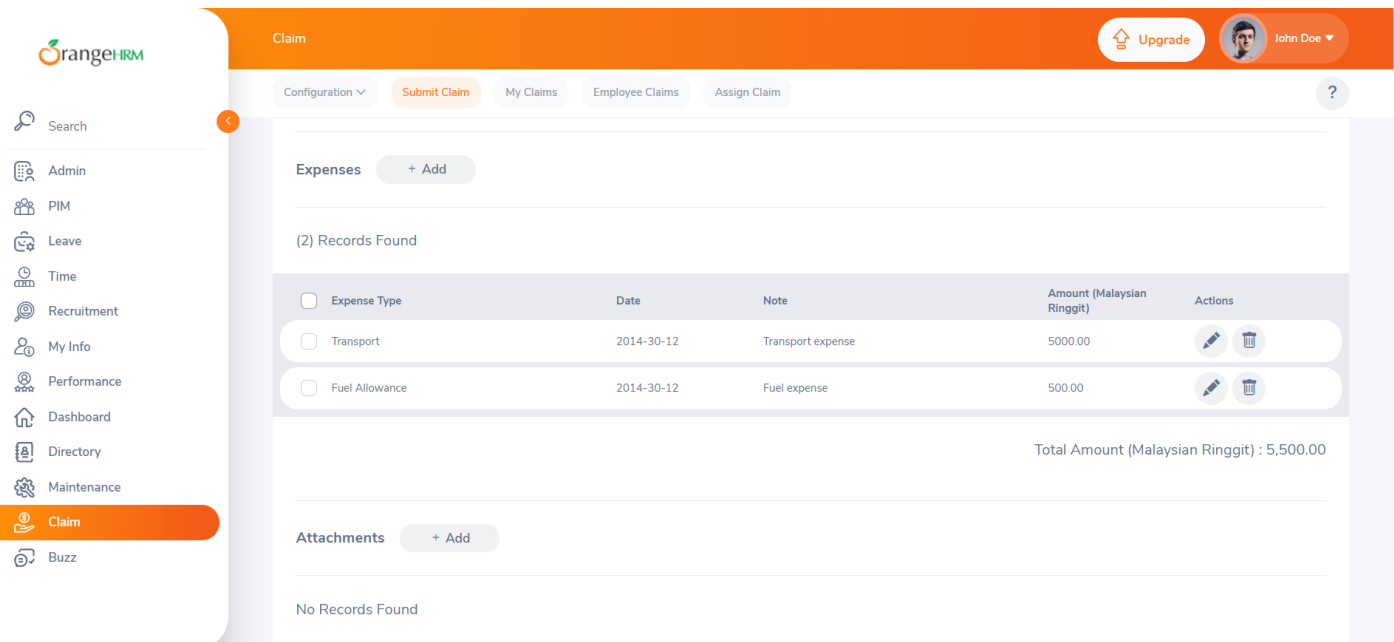

<input type="checkbox"/> Expense Type	Date	Note	Amount (Malaysian Ringgit)	Actions
<input type="checkbox"/> Transport	2014-30-12	Transport expense	5000.00	
<input type="checkbox"/> Fuel Allowance	2014-30-12	Fuel expense	500.00	

Below the table, it shows 'Total Amount (Malaysian Ringgit) : 5,500.00'. There is also an 'Attachments' section with a '+ Add' button, which currently shows 'No Records Found'.

This screenshot is identical to the one above, showing the orangeHRM Claim page. The sidebar, navigation bar, and expense table are the same. The table contains two records: Transport (5000.00) and Fuel Allowance (500.00), totaling 5,500.00. The Attachments section is empty.
